NATURE'S GALLERY

An eclectic celebration of art, history, and the environment, held waterfront in beautiful St. Andrews State Park.

Featuring

**The Artist Market** - a juried, open-air market of original fine arts and crafts. Just in time for holiday shopping!

**The Civil War Encampment** - Soldiers and their families go about daily camp chores as the sound of cannon and rifle fire echoes across the bay. Entertainment and demonstrations are fun and educational.

**Native American Camp** - Learn about teepee construction, and the heritage of our earliest people.

**Florida Folk Life Demonstrations** - Skilled craftsmen in period costume offer a glimpse at the life of our ancestors. Watch the blacksmith, the basket weaver, the candlestick maker and many others ply their trades.

**Environmental Exhibits** - From bald eagles to snakes, the wild things will be on hand, and for the strong of heart - touch tanks of sea critters and a petting zoo.

**Children's Art and Activities** - Hands-on art experiences, face painting, and story telling.
